

English

Our first class text this term will be *The Egyptian Cinderella* by Shirley Climo. We will learn the following skills to enrich our writing: prepositions to express time and place eg- in, through, since, across, beneath. Create and describe settings in narratives using precise nouns and adverbs to provide information, use apostrophes for contractions consistently eg won't, shouldn't. We will be working on our dictionary skills using the first two letters to encourage the children's spelling and independence in class. We will use this text to create setting descriptions, write diary entries and then will innovate and re write the story using a variety of new skills taught in the first few weeks of term 2.

We are starting off our topic by designing and making Rhodopsis's lost rose red slipper.

We will also spend a week focusing on poetry and two weeks on Non fiction writing.

**Maths**

In Maths this term we will be covering the following skills:

Multiplication and Division

We will learn how to multiply and divide by 3, 4 and 8. We will learn different methods to do this. We will use word problems, estimation and include measure and statistic questions.

Fractions:

We will recognise unit fractions. We will compare and order, add and subtract within a whole. We will recognise equivalent fractions.

**Science**

Our focus in science is Animals including humans. We will be learning:

That animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.

That humans and some other animals have skeletons and muscles for support, protection and movement.

The children will also be learning about the scientist Marie Curie who is remembered for her discovery of radium and polonium, and her huge contribution to the fight against cancer.

**History/Geography****Who were the Egyptians?**

We will be learning about the river Nile and why it was so important to the Egyptians. We will be Learning about Tutemcarmen and how mummification worked. We will also try to write like an Egyptian.

**Computing**

We will be learning how to import and crop images. We will be finding ways to change the image and create different effects. We will be learning how to type with both hands and how to change the font style and colour. We also will be learning to use a text box and format pictures. We will also be learning about how to keep safe when using the internet.

RE: The celebration of Christmas.

Crown Value

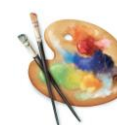

We celebrate our similarities and differences and respect the rights of others.

PHSE

Jigsaw topic:
Celebrating
Difference.

**Art & Design/Design Technology**

In Art, we will be inspired by Egyptian scenery. We will use blending techniques in paint and also experiment with mark making. This work will help enrich our writing Egypt in our writing.

**Music**

Our focus this term singing. We will be learning about and practising tempo, pitch and dynamics.

**PE**

We will be taught 2 PE sessions a week.

Our foci for the term is Netball and dance related to our topic. Please ensure your child had their PE kit in school, with earrings removed on the days of PE.
