Headteacher's News

It has been very quiet in school this week due to the absence of our Year 6 children. They have been off enjoying an action-packed adventure under canvas in the Brecon Beacons. After all of their hard work towards their SATs, the activities including the high ropes, kayaking and marshmallow-toasting have been a timely contrast.

At the moment, the teachers in Y1,3,4 and 5 are analysing the NFER tests recently taken by all children. They will use the results to identify gaps to fill during the last few weeks of this academic year. We keep the learning going right to the very end! Next Tuesday is our 'Shuffle Up' morning; we are very excited that both Mrs Nicholls (who will be one of the new Y3 teachers) and Miss Tarbard (who will be the new Y4 teacher) are able to be there.

And finally, there has been a real buzz around school as the Times Table Rock Stars competition starts to bite. Some children need to be very careful as the fact that they are outperforming the teachers may get them into a whole lot of trouble! You know who you are....

It is our Summer Fayre tomorrow. Hope to see you there.

Summer Fair – Saturday 22nd June 11am to 1.00pm

Please come along to the fair tomorrow and support the FoCP to raise money for your children's school. The fair will be inside and outside on the playground. Stalls will include lucky dip, tombolas, higher/lower card game and the ever popular Splat the Teacher!

We look forward to seeing you all there.

Landscape Company Required

We require a number of small landscaping jobs / renovation work to some of our play equipment around the school grounds. We are looking for a contractor who does relatively small landscaping projects to a high standard. If you know of anyone, please can you contact the office.

Thank you!

Y6 Camp

Year 6 are back after an incredible week camping in the Welsh hills! They have been kayaking and rafting across Llangorse Lake, they scaled the peaks of the Welsh Hills during a 5 mile hike, shot arrows and catapults at targets, ate dinner with their faces (it is a long story!), froze in their tents at night, jumped from a 20 foot telegraph pole, climbed/abseiled and finished each meal by washing up their own dishes! They have all had an amazing time and will cherish our memories of our Brecon adventure!
