

## KS1 Child Acceptable Use Agreement

### Keeping Safe

- I will ask my teacher or parent before using ICT equipment.
- I will not tell a stranger my name or the names of my friends.
- I will not let anyone know any of my passwords. I will make sure that my parent checks any devices I have used regularly.
- Ideally, all my online use should be in a room where my adults can see and hear.

### Communicating

- I know that I should ask my parents before using a telephone or a mobile phone.
- I know that I need to be kind when communicating online (either in emails, posts or messages or when attending live online meetings).

### Online Meetings

- I know that I should be on time when I am attending any online meetings.
- I know I should be wearing sensible clothes when I am attending any online meetings.
- I know I should think about what people can see in my background when I am attending online meetings.

### Research and Fun

- I will only look at websites that my teacher or parent allow me to.
- I will try to stay on the website I am given and if I am unsure I will tell my teacher or parent.

### Sharing

- I will not look at anyone else's work without asking first.

### Problems

- I will tell a teacher or parent if I find anything on ICT equipment that is not nice or makes me feel uncomfortable.
- I will tell a teacher or parent if I know anyone who is not behaving nicely or if I know anyone who is being bullied.
- I will not damage ICT equipment and will tell my teacher or parent if equipment is broken or not working.

I agree to follow these rules when:

- I use ICT equipment in school.
- I use own equipment for school work at home (ie home schooling).
- I use my own equipment for school any activities (ie home work).
