We maintain healthy relationships by being kind and by being assertive when needed.

Headteacher's News

Good afternoon parents and carers,

We have had a great week in school with our children challenging themselves in their learning and building on friendships. Y4 and Y5 have been swimming and are enjoying being able to get back in the pool again whilst for some, overcoming their fear of water! Reception have been on the hunt for mini-beasts and do not seem to be afraid of the creepy crawlies. Y6 have been taking on a Lego League Challenge organised through The Institute of Engineering and Technology, involving robotics as part of science, technology, engineering and mathematics (STEM). The Y6 children have deciphered some tricky coding, with one child being recognised for their skills by the Lego Team after having taught the staff how to do it! We have had a wealth of Sparkling Starts return to school which the children have been very proud of and our displays are filling with their fantastic hard work. We are proud of all of our children's achievements and it lovely to be doing some of those things that make our school feel normal again.

We remain active during the school day to encourage a healthy lifestyle for our children. We hope you have lots of activities planned over the May bank holiday to keep active such as going for a walk, climbing trees, going on a scavenger hunt or continuing to join our Road to Tokyo. We look forward to hearing all about it on Tuesday.

Please remember to continue to abide by Government guidance to keep not only yourselves safe, but also each other. Thank you for your continued support.

Wishing you a wonderful Bank holiday weekend.

Keep smiling, keep shining!

Kind regards,
Georgina Scott

This week's Crown Values Certificates awarded to:

Year R Cherry: Kara L
Year 1 Oak: Ivie-Leigh E
Year 2 Ash: Evie E

Art Attack at Out of School!

On Thursday the children got creative bringing insects to life! We all enjoyed ourselves so much that next week we are going to have a whole Art week with the following activities:

Tuesday	Wednesday	Thursday	Friday
Rock painting	Animal Art	Magazine collages and a look at the artist Giles Davies	Cartoon drawing

Thursday 6th May: Courtney Polling Station

Some of you may be aware that our top playground is going to host a polling station for the local elections next Thursday, 6th May.

On 6th May, you will not be able to access school from the Gages Road gate (this will only give access to the polling station.) Please could you use the gate on Courtney Road. Thank you for your understanding!
