

Courtney Primary - Topic Sheet - Does Magic Really Exist?

Term 2 – Year 2 – Miss Ford

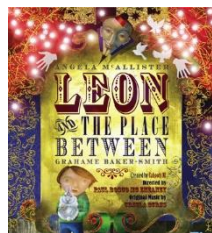

Headteacher: Mrs Deborah Wood B.A Hons. N.P.Q.H

This sheet shows you the topics your child is covering this term and gives you ideas and ways you can help your child at home. The library is always a good starting point and the internet has many great sites. If you visit www.courtneyprimaryschool.co.uk and click on the 'Links' section, you will find useful websites listed there.

English

In English, we are reading *Leon and The Place Between* which is a fantastic story about a magician!

We will be concentrating on using expanded noun phrases and commas in lists to give our writing more detail. We will also be learning some more co-ordinating conjunctions to make our sentences more varied.

In phonics we will be finishing revising our Phase 5 sounds.

Maths

In maths this term, our topics are going to be addition, subtraction, multiplication, and division.

We will be working on adding and subtracting two digit numbers with exchanging as well as adding three 1 digit numbers. We are then moving on to recalling and using multiplication and division facts for the 2, 5 and 10 multiplication tables, including recognising odd and even numbers.

As always there is a whole school focus on developing our children's reasoning and problem solving skills.

Computing

In computing this term we will be looking at online safety to ensure that all children are prepared for using the internet safely. It would be great if you could have this talk at home as well please ☺

Topic

This term, we are going to be learning more about human and physical geography through making comparisons with the UK and other countries. We are also going to develop our map work.

Science

This term, our Science topic is sound. The children are going to learn that there are many different types of sounds and the sources of these sounds. They are also going to explore different ways of making and altering sounds.

Music, Art and DT

In art and DT, we are going to be creating circus masks and looking at the work of Sanna Annukka.

Our skills focus in music is singing.

PSHE and RE

This term in PSHE, we will be thinking about "celebrating difference".

In RE, we will be thinking about how and why people celebrate special and sacred times.

PE

As a school we follow the "Real PE" scheme of work which focuses on building up core skills and applying them in games. On Tuesdays, the children will have a PE session with Mr Smith. On Fridays, they will have PE with me. Please ensure your child has their PE kit in school, with earrings removed on the days of PE.
