

Courtney Primary - Topic Sheet- **Bones and Bodies**

Term 2 – Year 3 – Miss Ford

Headteacher: Mrs Deborah Wood B.A Hons. N.P.Q.H

What is this topic sheet for?

This sheet shows you the topics your child is covering this term and gives you ideas and ways you can help your child at home. The library is always a good starting point and the internet has many great sites. If you visit www.courtneyprimaryschool.co.uk and click on the 'Links' section, you will find useful websites listed there.

English

Our class text will be: **Krindlekrax by Philip Ridley**

We will be learning the following grammar skills:

Use prepositions to express time and place.

Create and describe setting in narrative.

Use apostrophes for contractions.

Start to use paragraphs to group related ideas.

Create interest through the use of appropriate words and descriptive phrases.

Use a range of organisational features in fiction and non-fiction.

Maths

In Maths this term we will be covering the following skills:

Finishing addition and subtraction

Add and subtract numbers mentally

Add and subtract numbers with up to three digits, using column addition and subtraction.

Estimate the answer to a calculation and use inverse operations to check answers.

Solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction.

Starting multiplication and division

Recall and use multiplication and division facts for the 3, 4 and 8 multiplication tables

Write and calculate statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers,

Solve problems, including missing number problems, integer scaling problems and correspondence problems.

Computing T2

We will be Data Handling

During this unit we will be learning to: add to and create our own branching database to answer questions, present data appropriately for a purpose and audience and use a datalogger to analyse the findings.

History

We are continuing our exploration of life during WWI and will be writing setting descriptions of the trenches and a recount of our visit to the church following our WWI Remembrance Day Service.

Science

Our focus in science is Animals including Humans.

We will:

- identify that animals, including humans, need the right types and amount of nutrition, and that they cannot make their own food; they get nutrition from what they eat.
- identify that humans and some other animals have skeletons and muscles for support, protection and movement.

RE

Key question: What does it mean to be a Christian in Britain today?

We will be continuing to explore this question from last term by looking at, how different Christians celebrate Holy Communion and how Christians make a difference in their local community. We will also be exploring why people stand up against injustice because of their religion.

Art and DT

We will be creating fireworks pictures without the use of paintbrushes! We will also be creating cotton bud skeletons in science and exploring the differences between our ideas and real skeletons.

PE

During P.E this term, we will be following Unit 1 from Real PE. We will be taught two PE sessions a week, one with Miss Ford and one with Mr Smith during PPA cover.

Please ensure your child has their PE kit in school, with earrings removed on the days of PE.
