Christmas Lunch Arrangements

Dear Parents and Carers,

Like many things this year our Christmas dinner plans are going to be a little different to normal. In order to allow the staff to make the Christmas dinner as festive and special as we can for the children, as well as keeping them as safe as we can, we are organising for this to happen over two days. The implications are that for one day in the final week of term, the children will need a packed lunch which they will eat in their own classrooms.

KS2

On **Tuesday 15th December** **KS2** will be having their Christmas lunch. Christmas jumpers can be worn. All children in KS1 will need to have a packed lunch. This can either be one brought in from home or one provided free of charge by school if booked in advance.

KS1

On **Wednesday 16th December** **KS1** will have their lunch. Christmas jumpers can be worn. All children in KS2 will need to have a packed lunch. This can either be one brought in from home, one paid for but provided by school or one provided free

of charge by school if your child is eligible for free meals.

Please can you text or email the office team to let us know by **Thursday 10th December** if:

1. Your child would like one of our kitchen's delicious Christmas dinners. (£2.25 for those who pay.)
2. Your child is in Reception, Year 1 or Year 2 and they would like a packed lunch provided by the school kitchen on Tuesday 15th December. These will be free of charge.
3. If your child is in Year 3, 4, 5 or 6 and they would like a packed lunch provided by the school kitchen on Wednesday 16th December. For any child eligible for free school meals, there will be no cost. For any other child, the normal school dinner price will be charged.

Kind Regards

Deborah Wood
Headteacher
