

Courtney Primary – Topic Sheet

Term 3 – Year 3

Teacher: Miss Inman

Thursdays: Mrs Owereh

Other staff in year 3: Mrs Murphy, Miss Foxcroft, Miss Thomas (Student)

This sheet shows you the topics your child is covering this term and gives you ideas and ways you can help your child at home. The library is always a good starting point and the internet has many great sites. If you visit www.courtneyprimaryschool.co.uk and click on the 'Links' section, you will find useful websites listed there.

Please make sure that the children spend 5 minutes a day reading or practicing sounds, and that they complete their homework to a good standard.

English

In English, we are reading 'The Worst Witch' by Jill Murphy.

We will continue learning how to use prepositions in sentences to reveal temporal and special detail. We will begin using adverbs to add detail to our fiction writing. We will start to create and describe plots in narrative.

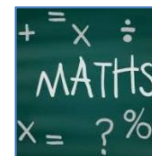

In reading we will be building on our comprehension skills.
In spelling we will be learning to spell year 3 and 4 words.

Maths

In maths this term we will be learning to multiply a two-digit number by a one-digit number, such as 45×3 , using a range of mental and informal methods. We will use objects, drawings, diagrams, and formal written methods. The key words for this section are array and inverse operations. On a Thursday we will be looking at the topic of 'measurement'.

In Mini maths we will be focussing on two further types of adjusting which support adding and subtracting across 10: firstly, adding and subtracting 8 or 9 by adjusting from adding and subtracting 10, and secondly adjusting from known number bonds to 10 to add across 10, for example using $7 + 3$ as a starting point to solve $7 + 4$.

Computing

In computing this term we will be looking at how to type.

RE

We will be thinking about why some people pray.

Topic

This term, we will be learning about remarkable humans. Athletes, musicians, artists, scientists who have defied the odds as well as our exceptional senses and how we experience the world.

We will name and locate counties and cities of the United Kingdom.

Science

This term, our Science topic is 'Forces.' We will compare how objects move on different materials and observe how magnets attract or repel each other and attract some materials and not others. We will study this with Mrs Owereh.

Music, Art and DT

In art we are going to be looking at the artist and printmaker Mark Herald.

In music we will be looking at the History of Music.

PSHE

This term in PSHE, we will be thinking about "Dreams and Goals".

Latin

In Latin we will learn the verb 'to be' and conjunctions. We will study this with Mrs Owereh.

PE

PE days are Thursday and Friday. Please ensure your comes to school wearing their PE kit. Please send in tape for earrings or remove them on the days of PE. Aside from break times and PE, the children will be up and moving energetically for at least 10 minutes during the day. We are tracking our skipping weekly to see how we progress.
