Headteacher's News

Good afternoon parents and carers,

Welcome to Term 6

Welcome back to a wonderful start to T6. We hope you have had a great half term break and have enjoyed being able to meet up with more family and friends safely. We had wonderful weather on May bank holiday and have all come back excited for all of the events that take place in T6. We have found some of the children a little teary and reluctant to be back which is often the case when having had a great break with family. We appreciate your continued support in helping your children be ready for the school day by eating a healthy breakfast, maintaining bedtime routines for an early night and battling the 'I don't want to go to school' jitters.

We, as a staff have been learning about emotion coaching and how we must validate children's feelings rather than dismissing them.

We have realised as a school there are lots of methods of communication that are extremely beneficial for our children and young people that we are actively trying to incorporate into our communication. Emotion coaching can also be used as a parenting tool. Please see the link below for more details if you are interested:

HELP!

We are slightly short staffed at **lunchtimes** currently and wanted to see if any of our wonderful parents/carers are available to **volunteer** on a **Wednesday** and/or **Friday**. Due to restrictions we would be hoping to have parents/carers who could commit to the rest of the term to reduce crossing of bubbles, however we are open to any support we can get, so please get in touch with the Office if you think you are interested and have availability.

A reminder

Now that the weather looks set to continue to be warm and sunny (hurray I hear you say!) please remember sun hats, sun cream and the cooler uniform options along with water bottles to ensure our children can remain safe in the sun. If you have any problems providing these resources, please do get in contact with us to see if we can help.

Whilst we enjoy some of the changes to restrictions, please remember to continue to abide by Government guidance to keep not only yourselves safe, but also each other. Thank you for your continued support.

Wishing you a wonderful weekend!

Keep smiling, keep shining!

Kind regards,
Georgina Scott

School Council

We are excited to announce that each class has voted for their school council members. The elected pupils are Ben, Cadi, Dylan, Ellie, Ellis, Emily, Isaac, Lacie, Nancy, Renee, Ricky and Zaila. Due to coronavirus restrictions, we have not had a school council yet this year so these children will remain as their class representatives for the first half of next year as well in order to continue with the plans they make this term (with the obvious exception of our Y6 council members who will be heading off for new adventures elsewhere). Each pair will be meeting with their class next week to find out what the other pupils think could be improved at our school and what charities they think we should be supporting with future fundraising events. They were very positive and motivated at our first meeting so we are sure they will achieve great things for our school over the coming terms.

Out of School

What a wonderful week we have had at After School Club! Our older pupils prepared food on Tuesday, and we all enjoyed a picnic together in the sunshine. We have been painting and making some lovely surprises for the Dads and special people in our lives. On Thursday 'Brenda the Blender' made another guest appearance and we had lots of fun blitzing up milkshakes. Mrs Parker and Mr Thomas did a taste test and gave our chocolate milkshake top marks! Well done to our Year 5 and Year 6 children who have been practising their typing skills at club - keep up the good work! We are looking forward to 99s and some sand between our toes next week, as part of our seaside themed week!

Plan for week commencing 14th June:

Monday	Tuesday	Wednesday	Thursday	Friday
Postcards	Shark Art & Footprints in the Sand paintings	Sandcastle Competition	Ice Cream Cupcakes and Fishing games	Seaside in a bottle

We will also be making Father's Day crafts throughout the week. Please remember to book your child into club either via the Arbor system or by calling the Office.

During half term William and Elliot (helped by their Grandpa) made an amazing windmill and birdbox. Both items are going to be put up around the school. Well done boys.

Times Tables Rockstars Battle of the Bands - Results!

Congratulations to Sycamore Class who won their battle of the bands against Cedar Class with 678 points! Cedar Class scored 176 points.
Congratulations also to Lime Class who won their battle of the bands against Maple Class with 420 points! Maple Class scored 179 points.

Numbots Robot Rumble - Results!

The Key Stage One tournament was VERY close but Oak Class won with 2108 coins. Ash Class earned 2074 coins - only 34 coins less than Y1.

Well done to all children in Y1-Y6 who took part!
