Headteacher's News

Next week, our enrichment clubs start. Part of our aspirations for our children is that not only do they receive a wide range of experiences at Courtney but that we also provide them with opportunities to develop important life skills. One of the skills we want to focus on through our clubs this year is commitment – so the expectation is that, unless there is a genuine reason, if a child has signed up for a club, that they stick with it for the whole of the term.

Our Crown Value this term is about being resilient and persistent in the face of challenges. This week we were really pleased that our football team managed to achieve a win in their first ever match. Losing, or being in a losing position midway through a match, is difficult for some of our children to deal with; with our focus on resilience, our aim is to guide the children in how to work through their feelings so those heads don't go down and the determination continues.

And finally, Sycamore and Cedar classes each went to Sevington Museum dressed up in their Victorian costumes, with Victorian packed lunches and new Victorian names. I am very proud to report that their enthusiasm, behaviour and respect was positively commented upon and that Cedar class' rendition of All Things Bright and Beautiful nearly blew the cane out of Miss Squire's hand. A sunny weekend is forecast.

Look out Little Red Riding Hood!

Year one have had a great week. On Monday, we had a fantastic afternoon working together to create this wolf nature collage! To complement our topic of Little Red Riding Hood, we drew on our best artistic and team working skills to come up with this amazing creation.

Football News

We are so, so proud to say Team Courtney WON their recent match against Barrs Court (South Glos champions). Courtney started off with very strong attacking play.

Tom W and **Liam C** tested the keeper in the first 5 minutes. With a through pass from **Henry W** and a deflection from Barrs Court, Tom managed to control the ball and SCORE taking Courtney to a 1-0 lead which they held to half time. For most of the second half, strong play from **Oliver P** at the back meant that Barrs Court had very little shots on goal. With 8 minutes to go, **Oliver A** scored a cracking GOAL to take Courtney to 2-0 up. With 2 minutes from the end, Barrs Court scored a brilliant goal, however the boys stuck together and finished off the game. The whistle went and the final score was 2-1 to Courtney.

Barrs Court are an extremely good team which makes this an even more impressive result. Well done Courtney! Player of the match: **Sam K**

School Meals

Thank you to everyone who came to our taster session on Tuesday. The number of children coming back for seconds, the sight of fussy eaters saying they liked broccoli quiche and the fact that not a crumb was left over suggest it was a success!

Food options

Each day, children can choose between the hot school meal, the vegetarian option or a jacket potato. In addition to this, every child can have as much food as they like from our salad bar. The bar includes pasta or potatoes and home-made bread. The dinner ladies are reminding children to help themselves to as much from the salad bar as they would like but please remind your child too!

The menu is new and we will be rotating it twice before considering whether we need to modify to fit our children's needs. Please do pass any feedback you have in to the office.

The company which is providing our food can be found here: <http://www.edwardsandward.co.uk/>

We are so keen to get as many of our children as possible having school meals. It makes life easier for parents and the meals are healthy and nutritious!

World's Biggest Coffee Morning

We are holding a coffee morning on Friday 27th September from 9.15-10.15am in aid of McMillan Cancer Support.

Donations of cakes can be brought into school from Thursday 26th September. Parents, grandparents, siblings, aunts and uncles all welcome.

We look forward to seeing you here.

The 12th day of September 1897

Dear Schoolmaster,

As schoolmistress of Sevington School, I am in a position to observe many scholars who come here seeking education. I wish to commend, most particularly, the excellent demeanour and diligent application of the scholars from your own establishment. Their decorous conduct, courteous responses and industry were a fine testimony to all those who guide and watch over them.

*With every kind regard,
Yours faithfully*
